Importance: High

Jose and Christina:

Finally back in Tallahassee. We received the Quarantine Exemption during our call yesterday, from RD & OPP. Those flies don't have a chance now. I just lost the signal yesterday and could not get it back before the end of the call. Just let me know what was discussed from the time I lost signal at 2:30 yesterday!!

Many thanks;

Charlie C.

Jose:

Here is Amy's e-mail address. She is the new Grier Stayton for AAPCO, SFIREG, etc. (smile)!!! Amy just started this Spring.

Hi Amy, Jose is the EPA's lead on Spanish Labeling Pilot Project with the states and volunteer companies. He will get with you on assisting notification to the states (by Sept. 30, 2015) when the Pilot is ready for launching!! We have worked on this Pilot since July of 2013 so we have a lot of time logged on it!!

Charlie
